

Our Physicians Make House Calls.

Visiting Physicians Association® is the nation's leader in house call medicine with over 15 years experience and expertise in geriatric care. Our medical team provides high-quality, personalized and confidential treatment of minor to complex medical needs right in the comfort of your home.

We provide the most comprehensive medical care utilizing:

- A team of highly qualified, compassionate Physicians and Medical Assistants
- A state-of-the-art laboratory
- Mobile diagnostic services

We will even bill Medicare and most insurance companies for you.

ST. LOUIS OFFICE: 8710 Manchester Rd., St. Louis, MO 63144
