

adult day services

Adult day service centers provide a break (respite) to the caregiver while providing health services, therapeutic services, and social activities for people with Alzheimer's disease and related dementia, chronic illnesses, traumatic brain injuries, developmental disabilities, and other problems that increase their care needs. The organizations that follow offer these services and more.

Lead. Inspire. Change the World. Again.

“Most of my generation felt that as younger people it was important to serve and give back to the community. So, I have been doing just that all of my life...from organizing events at my community center to serving on the board of the local Red Cross.”

We inspired before. We continue to inspire today. Join thousands like me who are still asking what they can do for their country and community. Discover which opportunity is right for you.
